GROENVLEI / GOUKAMMA NATURE RESERVE

The Goukamma Nature Reserve on the eastern boundary of the Resort covers approx. 2500 hectares on which Groenvlei, the only natural fresh water lake on the Garden Route, forms a part. The lake is ideal for all forms of sailing and is one of the top Bass fishing waters in Africa.

HISTORY

Lake Pleasant Resort and the greater Sedgefield area, previously part of the sprawling farm Ruygte Valley or Ruigtevlei, can be traced back to ownership by a dutch soldier and first Conservator of the Knysna forests, JF Meeding (approx 1785). Ruigtevlei was divided into 9 lots in 1878 with Catherine Dorethea Meeding and husband Henry Hooper inheriting Lot C from her parents.

Their son Johannes Jacobus Hooper, known as James, found the first gold nugget in the nearby Karatara River in 1876, which sparked the Millwood gold rush that reached its height in 1886. James two sons, Charteris & Humphrey inherited and later subdivided Lot C into smaller portions. Charteris reportedly swam the entire length of Groenvlei & back before breakfast daily & in 1910 became the first recorded person to swim from Robben Island to Blauwbergstrand. Humphrey's widow, Ethel Hooper, sold her 72 acre portion to Rory (Pat) Hennessy in October 1962.

Current owners, the Lidstone family, arrived by ship from the U.K. in 1968 to assist father-in-law Pat Hennessy, and wife Catherina (Rene), in running the already well established Resort. Initially only part owners, Roger and Allannah (Lan) Lidstone purchased the remainder in 1973 and operated the Resort uninterrupted till Roger's death in September 2011.

The Resort remains Sedgefield's only privately owned self-catering & camping Resort and is managed by Lan & son Stuart, with seasonal assistance from Lan's daughters, Briony & Anthea.
